

18 Feb ' 16

2.00 pm, SEN lab

Absentees: None

Agenda

1. Take interviews of people individually and by the end of Friday get 10 interviews for the group.
2. Document this interview in the interview folder and Barkha will attach this in the appendix of the SRS.
3. Take survey responses room to room
4. Document division decide for the next submission.

Points Decided

- **Friday(night)** Finish the the following assigned interviews:

1. Nidhi – Alumni of the student community.
2. Kushan – First year Btech
3. Nihit – First year Btech
4. Dushaynt – Second year Btech
5. Vadhira – Third year Btech
6. Kuljeet – Fourth year Btech
7. Saloni – M des.
8. Barkha – Mtech
9. Deerga – MScIT

- **Questions to ask for the interview**

1. What all DAIICT centric websites do you generally use?
2. Can you list down all the problems you face while using them ?
3. Have you ever used a dashboard, if not how was your experience with it?
(explain them the basic concept behind a dashboard and ask them what they feel about it)
4. Explain them what our SEN project is? and ask them what do you think about it?

- **Friday(night)** Survey finish 10–15 per person. Link on slack

- **Document section division**
