7.30 pm, CEP ground floor

Absentees: None

Points Decided

- 1 Widget per week thats the plan. So we would have 5 iterations. Timeline tentative. (Kushan form a better tentative deadline)
- Interviews are to be done by Monday night.
- 10 days for testing minimum keep in the timeline.
- Increase the number of Surveys. We would be representing the student community. Target around 300.
- SRS don't remove any headings.

###SDLC (Things left)

- Add source to diagram
- Table of contents format

Deadline: Monday 22 Feb 2016

###Project Plan(Things left)

- · Deadlines put in a better way
- Proof reading left
- Add a seprate section of the model we would be using "Agile"
